"The Prayer of St. Francis" Lord, make me an instrument of your peace, Where there is hatred, let me sow love;...where there is injury, pardon;...where there is doubt, faith;...where there is despair, hope;...where there is darkness, light;...where there is sadness, joy; O Divine Master, grant that I may not so much seek...to be consoled as to console;...to be understood as to understand;...to be loved as to love. For it is in giving that we receive;...it is in pardoning that we are pardoned;...and it is in dying that we are born to eternal life.
