Diane was our very first niece. She grew up breaking the path for the rest of the nieces & nephews. A path that was filled with smiles & laughter. It seems she was the first to respond when someone was in need. She is loved dearly & will be missed by all of us. Our prayers & love go to the family at this sad time, but our memories will be with us until we can hug her again.##imported-begin##Aunt Marge & Uncle Denny##imported-end##

Delores, we are devastated to learn of the recent loss of your daughter Diane. You may not remember us but I worked with Norm at Oldbergs and we used to play cards together with you, Norm and the Howie Kohlofs. We had lots of fun at those get togethers and we remember when Diane was born. We lost a son to cancer and can empathize with the loss of a child. Our children can expect to have to bury us some day but we should not have to bury our children. Best wishes in the future and hold your family close with lots of hugs.##imported-begin##Fritz & Jeanne Curtis##imported-end##
