I am so sorry to hear that Norman has passed away. I will always enjoy his friendly smile and his  
jokes that always made me laugh especially when i was growing up. I can still see me babysitting the  
kids for you Sheila, and the fun that i had with them. i will always cherish every memeory that I had  
with the little kids. Norman is very lucky to be with all of his relatives now and I am sure that they all  
were waiting for him with open arms. Sheila, please take care of yourself, and give the kids all a hug  
for me. Love you Susie.###imported-begin##susan a richards-sargent###imported-end##

Normand; (Al)As brothers I could not had one better then you. When we were young many little things happened to me, you always was right there to help me get through the fog. When I almost drowned in the river who was there to pull me out of the water you was. When i shoved a broken tree in my right leg,who carried me home on his back to the house on Pierce Street. I could go on with this but I will stop now as I will always have these times as good memories.Want you to do one thing in Heaven; FLY WITH THE EAGLES AND SORE AS HIGH AS YOU CAN GO AND TOUCH THE HAND OF GOD.FOR NOW YOU ARE FREE TO DO SO. To my "Uncle Hunk"- Throughout the years, many memories have been shared between the two of us. As a child, I remember our little mouse at Aunt Babe's, as a teen, I remember laughing with you (especially this summer), and in the future I will always remember you being the best Uncle Norm I could ever ask for. You markings here on earth will be carried through to my children someday and they will know what a wonderful man their Uncle Norm was. Until we meet again, Loralee##imported-begin##Loralee##imported-end##
