Gary: I am sorry to hear about the passing of your father. I know that this has to be a difficult time for you and your family. I remember the many chats we had about your dad... The one that stands out in my mind was when he decided to get baptized. Cherish those memories, they will help you get through this difficult time. My thoughts and prayers are with you. Hi Gloria, I am sorry to read about the passing of your father. I lost my father last December and I know this is not easy. Being a veteran myself, I recognize the fact that your father was quite a hero in the war, God Bless him. The Bronze Star medal is something to be very proud of. I appreciate his honorable service and am sorry at your loss. My dad is also buried at Egleston, they have made some beautiful changes there and it is a lovely place to rest in peace. Please accept my sincerest condolences. Sincerely, Linda Way Bine##imported-begin##Linda Way Bine##imported-end##
