Not a day will go by that I won't think of Harold, especially at work. I am so thankful that your family allowed me to remain an active part in his and your lives during his final days. It was a privilege to take care of someone as kind hearted and caring like Harold.##imported-begin##Amber Kubicek##imported-end##

Ron,Connie,Carol,Jim,Terry and extended family. I want to offer my sympathy for the loss of your dad. I will miss him too. You see, I talked to him very often at work arranging his Go Bus trips. What a kind and patient man. He was always a pleasure to talk with and very up-beat. He didn't let anything get him down, except I know he missed your mom so very much. What a courageous man! Well now they are together and I know that is making them both happy. You all were very fortunate to have been blessed with such a great father all of these years. God Bless You all as you proceed through this sad grieving process. Karen/Go Bus##imported-begin##Karen O'Toole##imported-end##

We are so sorry to hear of the passing of Harold. He was a kind an gentle man who always thought of others first. There are so many memories to share- the dances,card games,The cabin, and so many more. Harold and Sylvia were like one of our own. I can remeber when our Dad was in the hospital very sick before he passed away. There was not a minute that Harld was not up there to sit with him and assure him that he would be ok. Our thoughts and prayers are with the family - God bless the family##imported-begin##Alf & Dianell Majros- Wes and Becky Heikkila##imported-end##
