Nancy, I am so sorry I am not there to be with you. Please know that you and your family are in my thoughts and prayers. What a testimony of faith and family you and your family have shown throughout your mom's illness. We can only hope that we have raised our children to be the son's and daughters that you all have been to your mom. I know she is proud of you and how you have been there for her. The strength you have shown is remarkable. Know that I am there in spirit. Love you, K##imported-begin##Kaye Nichols##imported-end##
