We are so sorry we didn't make it to the service, we drove around Muskegon for 3 hrs, looking for the right funeral home, I had gotten a map from my computer and it gave directions to the Sherman Blvd. one. We asked at stores and gas stations and no one knew where you were, so we get home and our son helps us get on this web site and now we are too late. Again we are sorry we didn't make it , wanted to see you all. I am especially disapointed with the funeral home for not having signs on the old buildings to where they were.##imported-begin##Ruth and Alan Glover##imported-end##
