My name is Tami and I have the distinct honor of being the Activity Director at Christian Care, where Pat was a resident. And she was more than that-she was part of our family and a dear friend. Pat was one of the sweetest people I have ever met. She always had a smile on her face and was always ready and willing to participate in any activity available-breakfast and picnic outings, baking and salad club, bingo, nail grooming, church/devotions, exercise and the list goes on. Wherever fun was happening-Pat was there with us. I just want to say what an honor it was to have known Pat and been able to have spent the last portion of her life with her. She was a true gem and a blessing to all who knew her. I am greatly saddened by her passing, but am so thankful that I know for a fact, that I will see her again one day in heaven and I definitely look forward to that. I will always cherish the wonderful memories of the times we spent together and I will especially always remember how sweetly she responded to me last Friday when I told her how much I loved her, "I love you too, Honey." My deepest sympathies to all of Pat's wonderful family in this loss of such a special person and human being...my heart aches with you. Much love and many prayers, Tami##imported-begin##Tami Tufts##imported-end##
