To all,When I was growing-up, Uncle Frank was my favorite uncle. I will always remeber my first driving lessons. I was five or six and Uncle Frank would put me on his lap and my hands on the steering wheel of his Ford and we would drive up and down Howden Street. It was truly special.I am so sorry to hear of his passing. I will always remember Uncle Frank's laugh,smile, and kindness.Dave##imported-begin##David W. Ripley##imported-end##
