Dave, I will always remember the first time we played together. I was about 14 years old riding my bike down Waalkes Street near Lincoln Avenue. You were sitting on the curb playing with a stick in the mud in the gutter. You looked up and smiled at me. Always with that quick smile. I'll remember the good times canoing on the Pere Marquette river, camping and Boy Scouts with Joe Spellman and Ricky Paule. Rest in Peace.###imported-begin###Kendall Witherspoon###imported-end###
