My condolences to the Patino Family. I grew up downtown with Ray and his brothers and sisters. Later moved to Wolf Lake and met his young uncles. While I was certainly closer to the clan on Brooks Rd, I did run into Ray often over the years and considered him a friend. Ray was old-school kind of guy that was comfortable with who he was and that's all that mattered. Sure, he was a tough guy, but always had a smile and handshake for me, like he did most people.##imported-begin##Brian Memberto##imported-end##
