I grew up with the Inmans, who lived across the street two houses down. Don was my best friend and Sandy was the little sister. The three of us spent alot of time together, Sandy's presence was enjoyable and we always had a good time. Sandy was always a happy, hard working girl and I know that carried on into adulthood. I will miss the good times we had and always remember her and the family.##imported-begin##David Lambert##imported-end##

Kim and David I am so sorry for your loss, we just lost my Mom in May and it seems like yesterday. I just wanted you both to know that I am thinking about you and have prayed and will continue to pray that you get through your pain and have a good holiday with your children. I was just thinking about you guys the other day when we went to the park to meet Magic Johnson. How weird is that! Kim send me your email and a phone number I would love to talk to you.
