Dear Bessie (Mrs. Wynn} I am so sorry for the lost of your husband. Also Mark and Leisa, both of you keep your heads up and be there for your mother. Your father has went to join his dear son Randy, who was loved very much. They are together looking over all of you. He is in a better place, may he rest in peace. I'm sorry I didn't make it to show my respects, but our daughter had surgery. But our thoughts and prayers are with all of you. Even though we did not stay in touch I have always had special memories of your whole family. Leisa you know you were always so sweet and respectful. And no disrespect to your wife Mark you know I had a crush on you in grade school. I loved your family. Randy and I always stayed in touch, he was special to me also. Words can not take the pain away, but remember God has a plan for all of us. As you know I also lost my brother Denny, he and Randy were good friends. I still have pictures of them at the cabin. I cherish them. And Mrs. Wynn when Denny passed away you sent me a card that touched my heart, you understood my brother and put up with him when he needed it the most, and I thank you for that. Keep your heads up and remember he is in a better place and most of all free of pain. God bless you and all of your family. I'm going to try to give you a call or write a few lines to you. Maybe one day I will come to church and give you a hug and let you know you are not alone you have the good Lord above. If you ever need to talk just give me a call. 719-0853. Love all of you. May your husband and father and grandfather rest in peace. You will all meet again in Heaven. Sincerely Georgetta Hussey and Family

Aunt Bessie, I am very sorry to hear about Uncle Oliver. I am sorry too, that I have not seen you all in so many years. I am the youngest son of Charles "Buddy". I remember you and Uncle Oliver very well though. I was glad to hear about Uncle Oliver receiving Christ. This should give us all comfort in knowing where he is and that he is celebrating with other family including my Dad. I am sorry for the loss you must feel. I know from the years of stories I have heard, you have been a great wife and friend to Uncle Oliver. I know God will help you through the toughest times. Please keep in touch. I would love to know more about you, Mark, and Leisa and their families. Again, I am sorry for your loss of Uncle Oliver. I know you may hear it a lot, but please DO let us know if there is anything you need or that we can do to help you through this time of grieving. To Bessie and the Wynn family I want to extend my sympathies. I enjoyed working with Ollie in the press room, having him keep my old junkers running, and spend time with him as he worked on his vast supply of Ramblers I have lots of special memories of my early days in Michigan thanks to Ollie.
