To Chad & Tricia, I'm not sure if you remember me. I went to school with Chad. I read about your mom in the paper and I wanted to send my thoughts to you two and I hope that Hospice was helpfull to you, They are working with us for my grandma now and it is nice to have thom for the support. I know it is hard right now but let them help you all through this. My thoughts and prayers are with you and so are my moms she sends you her heart too. Stay strong for each other and know that she isn't gone she is still in your hearts and she will always be there. Keep your heads to the sun and her smile will shine down on you.All our prayers,Lynn Strait & Rhonda "Williams" Keith##imported-begin##Rhonda "Williams" Keith##imported-end##
