We are friends of Linda's, and she means the world to us. Our hearts go out to Denise's family and friends in this time of mourning. There are no words that can mend a broken heart, time has to do that, but if you always remember all the good times you have had with Denise, time will seem to pass quickly. May G-d bless, and watch over you in your time of sorrow. Mike & Delia##imported-begin##Mike & Delia Figarsky##imported-end##

To a sister who is gone way to soon. I am saddened, angry but not afraid for you. I know that now you have no more pain, all happy days filled with everything you've ever hoped and dreamed of. I was thinking of some of the funny things you have said to me over the years: 1. Hey, what shade of lipstick is that? OOH let me try it. 2. Ya got any extra tan towels? 3. Big Mouth 4. Brat 5. You're just like mom 6. Taylor's so easy to love 7. Whery'd ya get that? I want one! 8. Don't tell mom! 9. I want false eyelashes too! 10. I know, Bobby's so good to me! I'm going to miss your laugh, your smile, and you not being here to love on little miss Taylor Rae. She cries at the thought of not seeing you again, and I tell her she will, but not for a while. So please watch over all of us, help keep us safe, healthy and happy. Taylor says to give papa a kiss in heaven from her. I'll miss you my naughty sister with the stinkies. Love ya, Sherri AKA BRAT!##imported-begin##Brat##imported-end##

I didn't get to see Denise as much as I should have over the past 27 or so years but when I did get to visit she always put on a big smile for me. She was as cheerful as a happy person should be - even when I knew she was in a great deal of pain. Bye Denise, I will miss you.##imported-begin##Chuck Lerner##imported-end##
