Vickie,I am so sorry to hear about your Dad's passing. My heart goes out for you and your family. I wish I were there to give you a big hug! I always remember you Dad as being a nice man with great business sense! I came upon this announcement through Sytsema website when I was signing the guest book for a friend of mind who passed, Andy Matson, and seen your Dad's name as a previous name.I felt so sad when I read about his passing and I wanted you to know that you and your family are thought of in the warmest way.Hugs Cindy and WAYne Lederer###imported-begin##Cindy Mckee Lederer###imported-end##

I have known, and done business with Paul for many years. Paul was a good business man in a difficult business. I considered Paul not only a business associate, but a friend. Paul was a good man and will be missed. My thoughts and prayers go out to his family and friends in this difficult time.THE PASSING OF A FRIENDI looked into his silent face,The light was gone.The kindly smile no longer thereThat I had known;His eyes were closed, he could not seeMe standing there,Nor know that in my saddened heartI breathed a prayer."Almighty God, restore the sightTo tired eyes.Reach out and clasp his lifeless handAnd bid him rise.Take to Thyself that precious soulFrom whence it came,And fan that faltering spark to glowWith deathless flame."(Written by Howard B.
