Rory and I liked Stan very much. He had a gentle way about him. There seemed to be many sides of Stan - he was quick witted and fun to be around but there with soft words of comfort when my family experienced the loss of loved ones. He was "tolerant" of our girl (Lori, Linda, Robbie and Jackie) get together and graciously allowed us our space in his home to laugh and have fun. It was fun to talk about our pet companions and it was obvious how much he adored Colby, Missy and Gypsy. He was a loving and attentive husband and I think that is what we most admired about him. He will be sadly missed...##imported-begin##Rory and Jackie French##imported-end##
