To all of Carol's family..... We were saddened when our son Eric(neighbor of Carol) called & told us of Carol's passing. I've always told Eric he was very fortunate to have such good neighbors. We will miss seeing & talking to Carol when we come back to Muskegon. Our thoughts & prayers go out to you.##imported-begin##Harold & Linda Hardin from Tennessee##imported-end##

Words can not express how I feel about Carol. In many ways she was a parental figure to me. I'll never forget after I heard she had cancer, I went to see her expecting to bless her and what I walked away with was the greatest blessing. She was so ready to pass on. She made sure everything was taken care of in her "spunky" way.I love you Carol, see you in heaven!Karla##imported-begin##Karla Gray Koens##imported-end##

Carol was the best neighbor you could ever ask for. We loved each summer looking at her beautiful ponds in the back yard. Getting us the fire pit ring for our wedding/baby gift was very appreciated.Always fixing up a little bit of candy and bring over to the kids on Halloween showed how caring she was. To have a neighbor like Carol made it a pleasure to leave next door to. Her presence next door will greatly be missed. May God Bless her family in this time of loss. If anything is ever needed, I'm right next door!##imported-begin##Eric,Mindi, Matisen and Brysen Hardin##imported-end##
