I just wanted to extend my deepest sympathies to Jean's family. I was shocked and saddened to have read Jean's name in the paper. Jean was my grandma-Ruth Graves-roommate for a short time at McCauley and that's how I came to know her. Jean and my gram got along so well and Jean was always so kind and good to gram. Jean even came back to visit Gram after she was discharged. It was such a blessing to have known Jean. I loved her right away and always enjoyed our many conversations while I was visiting Gram. God bless you all in this very sad time. My prayers are with you and like you, I look forward to seeing Jean once again one day in heaven. Until that day, I'm sure Jean and Gram will be having many wonderful conversations and much laughter in heaven, while they wait for the rest of us.Much love, Tami Tufts##imported-begin##Tami Tufts##imported-end##

"Super" Grandma, We will all miss you so very much, but it gives us comfort to know you are resting peacefully. I have such wonderful memories of growing up at your and grandpa's house, around the kitchen table with a good Scrib's Pizza and a deck of cards. Arnie enjoyed his breakfast dates with you at the casino over the past year and your great grandkids always enjoyed their visits to "super" grandma's house! Love you so much, Grandma, enjoy your time of peace, you've earned it.....Kati, Arnie, Griffin and Gabrielle##imported-begin##Kati Gonzales and Family##imported-end##
