Eugene Raymond "Gene" Egeler

NOV 21, 1950 - DEC 5, 2009

Mr. Eugene Raymond Egeler, age 59, passed away at his home Saturday, December 5, 2009. Gene was born November 21, 1950 to Richard and Harriet (Bogner) Egeler in Muskegon. He worked his entire life building and designing machines. Gene's passions were the simple things in life; his family, cooking; the power of a thunderstorm, and the silence of grass growing. His most relaxing moments were spent exploring Grand Marais and Beaver Island. On December 21, 1973, he married the former Patricia Trombley and she survives him. In addition to his wife of 36 years, Pat, Gene is survived by his son, Eric (Jennifer) Egeler of Spring Lake; his daughter, Andrea (Fiance' Eric Nicholes) Egeler of Muskegon; 2 precious grandsons, Nickolas and Kaleb; his Father Richard of Muskegon; 3 brothers, Rick (Patty) Egeler of Muskegon, Skip (Deb) Egeler of Byron Center, and Mark Egeler of Muskegon; 4 sisters, Christine Wellman of Grand Rapids, Kathy (Mark) Olson of Muskegon, Laura (Jack) Nummerdor of Muskegon, and Annette Aldridge of Fruitport; many nieces and nephews; and his loyal and constant companion, Molly. He was preceded in death by his mother Harriet, in 2007. A MEMORIAL VISITATION will be held from 6-8PM Thursday evening December 10, 2009 at The Walburn Chapel, Sytsema Funeral Homes, Inc. 1547 W. Sherman Blvd. 231-759-8565. MEMORIAL CONTRIBUTIONS may be made to the Loaves and Fishes Charity.

Patty, Eric, Andrea, I just wanted to write a few memories of Gene and I in our younger years. Gene was about 10 years old, and I was around 8. Grandma Huston told me and Gene that if we both got A's and B's on our report card she would buy us both a brand new Schwinn bicycle. Gene of course got all A's and I got A's and B's. Grandma and Grandpa Huston did buy us those bikes, Gene's was red with white stripes and mine was white with pink stripes. We rode them constantly. One night we left them out on the driveway and didn't put them in the garage. The next day we went to get them out of the garage and they weren't there. We remembered that we didn't put them in the garage. I started crying because someone stole our bikes, and I knew we were in BIG trouble. Gene said "Come on, we're gonna find them before anyone knows what happened. We walked down every street looking for them, we did find them laying on a gravel pile in someone's yard. We took them home and washed them so no one would see that they were all dirty and banged up. I think grandma did ask me why I had scratches on my bike after that, and I told her I fell down with it. Gene was always protecting his little sister not only then but when all the neighborhood boys would be bullying me. He did have a kind heart, also calling after my back operation to wish me a speedy recovery. I will miss him. Just wanted to share some of my memories of Gene with all of you. God Bless you all today, and your grieving days ahead, but know we are all here for you---always. Aunt Chris.###imported-begin###Chris Egeler- Wellman###imported-end###

Was saddened to hear of Gene's passing, wished I had seen him instead of putting it off. remembered the time he and I were out parting and I spent the night at your house when you lived on the bayou at the bottom of the hill, it had snowed but Gene didn't tell me not to drive down the hill. seems like it only took you and I about six or seven tries to get the car to the top of the hill. Will be think of youDick and Annette Hyatt##imported-begin##Dick Hyatt##imported-end##
