No one in the Robinson Truly knew Her like I did during her last few years of her life. She was a major influence in my life and the one and only True friend i had my entire life. it was her JOB to love me unconditionally no matter what. And for 32 years that is what she did. I will miss her more than any one in the family will ever truly know. I am only happy my wife got to know her even if it was only for a short time. I love you grandma and im so sorry I was not there more for you.##imported-begin##Nick "The Gold Plated Grandson" Robinson##imported-end##
