Family and Friends: May I offer my sincere condolences to you. In our High School days (a few years ago) Bob was considered to be a very fine and friendly young man. The interactions with Bob were always pleasant. Please accept my consideration of your loss. Sincerely, Alan Larson

Cheri and family, My deepest personal sympathies to you, the kids, and grand/great grand children. I'm so glad Bob was able to be at our class reunion last year. As I looked over the photos earlier today that shock of white hair certainly stood out. I've notified other classmates via e-mail and posted Bob's death notice on the pwhs59.wordpress.com web site and some of them have posted there. Bob and I had a few opportunities to "chat" via computer earlier this year. We talked about the old days, the fun we all had as kids, about his grandkids and computers, of course. He was a good man.
