Dear Bernice, My family is so sorry to hear of the loss of Wayne "Dick" Dick was so special to me and the kids. We will never forget how helpful he was helping the kids make their Derby Cars for church. No matter how busy he was, he would take the time to help them cut and transform a block of wood into a work of art. Dick was especially helpful to me. I could visit with him and talk with him any time of the day. He always had the best advice and always knew what to say to make for a better day. Your husband was a great man, a great neighbor and a true friend. We will miss him! Kevin Darcy & family##imported-begin##Kevin Darcy##imported-end##
