Diane, We know that the past year has been such a struggle for you and David.We saw him decline little by little and still he maintained his sense of humor and his smile thru it all. Please know that David touched each nurse that worked with him and we personally became attached to him and caring for him. We worried when he didnt come for his weekly appointments, etc... you are in our thoughts and prayers during this time of loss##imported-begin##The nurses from Mercy outpatient##imported-end##
