We will miss you Uncle Fred, but we know you are so happy now with Aunt Trudy and all our loved ones that have gone on before us. You leave behind some precious memories and a legacy of such a "gentle spirit" and a man who truly loved his Lord and Savior. You always had a sweet smile when we came to visit you and always a joking spirit to make us smile. We love you and we will miss you. Love, Richard, Judy, Lori, Mike and Tawney##imported-begin##Richard and Judy Yonkers##imported-end##

Thank you Uncle Fred for being a wonderful Uncle! We had so much fun travelling together, going to church together, having our times at Russes Restuarant, playing table games and just plain talking. Always knew that I could count on you for prayer. And becaue you admired Rev. G Vernon McGee so much and listened to him every day, I also came to appreciate him. You taught me a lot and I thank you for it. I know you have had a great reunion with out loved one in heaven and are joining them in waiting for the rest of us to come. I love you!##imported-begin##Ruth Stone Moore##imported-end##

uncle Fred, you will truly be missed on planet earth. What a sweet sweet man who loved the Lord and walked the walk. He and Aunt Gert have been very dear to my family. When Uncle Fred would see my girls (Tonja and Tami), he would always say,"Come on in and I'll make us some Turtle Soup and Hot Dogs". We spent at lot of time at their house when my girls were young. In my book Uncle Fred is a Saint. We love you so much Uncle Fred.##imported-begin##Captain P.J. and Mrs.(Patti) Bourgeois and family##imported-end##
