the world is a little sadder day today with the departure of Uncle Milt. He was truly one of the kindest people I have ever had the honor of knowing. He helped me with my job at AAA, teaching me about building and remodeling so I could do my job better. He invited my son and I to the cabin and we spent many great years there hunting and fishing and enjoying milts great cooking and perpetual smile. I hope all his friends and family know what a special man he is. Phil Olson##imported-begin##phil olson##imported-end##
