Donna was a lovely person to know. We feel fortunate to have known her. Someone sent this to my Brother Max when his son passed away. Hopefully, it will comfort your family. "For what is it to die but to stand naked in the wind and to melt into the sun? And what is it to cease breathing, but to free the breath from its restless rides, that it may rise and expand and see God unencumbered? Only when you drink from the river of silence shall you indeed sing. And when you have reached the mountaintop, then you shall begin to climb. And when the earth shall claim your limbs, then shall you truly dance." As Ever, Nora & Doug##imported-begin##Doug & Nora Carson##imported-end##
