What a wonderful Aunt to have. I honestly don't know how someone can go through life so happy, and free spirited as my Aunt Squirrely. I only have very fond memories of her, as she was truly someone to look up to. I will miss you forever, and will hold you in my heart for all times. When I found out that Shirley passed away, a piece of my heart went with her, I know that one day that piece of my heart and Shirley and the rest of my departed family will again be reunited as one in Gods Holy Kingdom!
