We feel bad that we couldn't be there for the funeral. It's hard in the winter when we're in Florida to miss things we would normally be at. We'll be praying for the family.##imported-begin##Carol and Chris Donohue##imported-end##

To the Rousell family I want to give them my condolences and may the Lord walk with you. Paul and I worked together lots of time in the building bussiness. When I needed an extra hand on a building project and paul had some time he would help me out. He was a fine carpenter and a great person. My prayers go out to the whole family.
