The word that comes to mind when I think of Sue is "strength". I was always amazed at her positive attitude and drive to continue to move forward, no matter what life handed her. It was my privilege to work with her for many years. I will miss her daily example of kindness and grace. Rest in peach dear lady.

Sue we were always more than co-workers from day one 28 years 4 months and 3 days ago. Although many days I did make you roll your eyes. I am happy to say we had only one little disagreement about birthday cards 18 years and 8 months ago. It wouldn't have been so bad but you were as bull headed as me. I thank God I have my many memories of you and that he put us on this journey at Gerber Life together. I have enjoyed watching your children grow over the years and the love of your life little miss Sophia. Your parents were so wonderful, you talked very highly of them for the many ways they were apart of your life. Your parents were not only your parents but very dear and near friends of yours. We know you will be watching over us, till we meet again dear friend, RIP lady. HUGS from Ninajo
