I am so very sorry to hear of Pat's passing. My deepest sympathies to her family. I first met Pat when I started working at Sears just after high school. Pat was one of the managers and I always looked up to her. She was such a strong, confident and kind woman. I always enjoyed seeing her there throughout the years and will always remember the time I accidentally bumped into her and Ron in Key West one year. Boy were we all surprised...small world! Again, I am greatly saddened to hear this news. God bless you Pat and may you rest in peace until we all have the great pleasure of meeting you once again in heaven.Much love and great admiration, Tami Tufts

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you LIVED. And that your life gave us memories too beautiful to forget.Sending my love,Leigh
