Tara was always smiling! I remember a day she was actually mad about something and as she was telling me she was smiling the entire time! A light that went out way to soon! RIP Tara

I was shocked to hear the news Tara is no longer with us. The message read "We've lost another friend!" Yes, "we" lost another friend. The world has lost one of the kindest, loving, non-judgmental people I have ever known. Thank you Tara: for your kindness in high school, your loving friendship, your smile, laughs...because I and "we", your friends of Orchard View knew YOU, our lives are forever changed. See you in heaven dear friend.

I went to school with Tara beginning in kindergarten throughout our Orchard View education. She lived right down the street with me when we were kids. So sad. Way too young. My sincere heartfelt sympathies to Tara's family and friends. May God comfort you and help you through this time.
