Thank you so much for sending me this link. It's highly appreciated. Peggy and Ron were a gift by to god to me to have met and shared some wonderful memories together. Peggy's smile always was there; never left that beautiful face and the good spirit she shared with everyone. I was taken into this family like I was hers and lucky me, I always was thankful and shared with her my appreciation and my Love for her and Ron. Ron and Peg are back together and that is a wonderful thought. They were ment to be together forever. Death is terrible for people who she left behind because we are the ones who miss the loved ones. She had a wonderful life, wonderful 5 kids who adored her and loved her and stood beside her and her life was very full of Love. She is released of her pains and back with Ron. I wish you all the best and Peggy and Ron and a huge part in my heart. I will miss them both very much and will enjoy the wonderful memories I had with them. Thanks again sending me this link.

Dear family, I am so sorry to hear about your mom. I was so pleased I got to see her at Handsome Henry's that Friday night you were all gathered there. I am the Volunteer Manager for Mercy Health and got over to share a few words with her and some of you. What a beautiful family and legacy she leaves. She was a joy to be around....so kind....my heart hurts for you all. May the fond memories of her (& your father) carry you through these difficult times. My Aunt Peggy was one beautiful lady. I remember the trips to Pentecater just about every year. Visting with her and cousins. The lake. Going to the gazebo in the park for concerts. Getting our dilly bars. She always made me feel loved and special. Always reminded me how special I was and never to doubt it. Uncle Ron and Aunt Peg were full life fun And lots of Love. Thank you Lord for blessing me with such an awesome family and special memories of my Aunt & Uncle. Pray for peace for my cousins and thank you for allowing my Aunt Peg & Uncle Ron to be together again and home with you. Love Always Lisa Grimm Mikhlaya and Andrew Grimm

Oh how I loved Peg and also Ron! I was so sad when I heard of her passing so soon after Ron's memorial. She had the biggest heart and always welcomed me into their home. One time she made delicious sweet rolls and we sat and talked about their memories and stories. I had never met a couple that loved each other as much as they did! Our loss and heaven's gain! I will miss her very much!
