To all my cousins. Aunt Sis was beautiful inside and out. She raised a beautiful family. I remember the Christmas parties, graduations parties, going to your house when we were kids. We would take the trail in the pines between houses. I love you all. Will miss you Aunt Sis

Margaret always had a smile for anyone who came her way. I remember times during our sorority meetings after tons of discussion, she had a way of summing things up with her 'Margaret Logic'. I will miss her brand of logic and but most of all - her beautiful smile.

I was blessed to have Margaret as a Beta Sigma Phi Sorority Sister and to work with her for many years at CETUSA (Council for Educational Travel USA). I will always remember her many kindnesses, her love for family and her zeal for international travel. My thoughts and prayers are with her family who she loved so much.

Margaret was a joy to know at Meijer, CETUSA, and in sorority. She had such a positive outlook on life and absolutely adored her family. Heaven welcomed another angel. Rest in peace, Margaret. ~ Marti Ocilka

She was one of the strongest women I knew, happy, adventurous, loved life. I so blessed that I have her as my Mom. She showed us how to be strong, responsible, caring, independent, showed us good work ethics and love. I will miss her terribly. She was my days I will be lost for a while. BUT she is walking streets of gold holding the hands of her husband and son.
