It was through my church affiliation and friendship with "Aunt Irene" Miller that I met Chuck and Ernie several years ago. They were a delight to be with. I enjoyed the all-too-few times we had together. Aunt Irene was an especially charming woman. She even convinced me that her nephew, Dr. Charles Miller, was the best dentist in the country. I have to agree!My best to the Miller family. May you find comfort and consolation in the memories of all these wonderful family members who have gone before.##imported-begin##Duane Leet##imported-end##

Mrs. Ernie Miller lived around the corner from us when I was growing up, and how well I remember her friendly smile and kind words to me. My mother was among that craft group that was already mentioned along with Mrs. Miller and Louise Moses...what fun those ladies had together! Although I'm sad to learn of her passing, it is comforting to look back on those days of real community and caring, and Ernie Miller will always be a part of that memory for me. Don, I did not have your mother as a teacher, but you were my teacher in junior high school, and I remember to this day your encouragement to me. To the Miller Family, please accept my heartfelt sympathy. May God grant perfect rest to a very special lady.##imported-begin##Kelly Chapman (Wittevrongel)##imported-end##

To Susie, I called my mother Louise Moses this morning and she told me about the death of your Mother . She shared some memories of her with me that I want to pass on to you . The way my Mom and yours became friends was through a craft club started by the county . but a few of the women did'nt like the way the club was doing the projects so a few of the women started their own craft club and all became fast friends . they also knew each other through Church . I remember my Mom being a sunday school teacher as long as we were in sunday school . I think your Mom was too . Mom had a chuckle remembering the time when your mom was asked to go camping on the beach with the girl scout troupe and she did'nt want to go . Mom said " Earnie called me and said ' Louise I will clean your house for you if you go in my place . I just could'nt stand sleeping on the beach' ' so my Mom went instead .She also told me that you and I chased her and Ms. Mars down the beach with socks full of sand to hit them with . I remember going over to your house to play when we were little . I thought at the time that your family reminded me of ' Father Knows Best ' remember that tv show ? Thankyou for letting us share with you . God Bless you all in knowing your Mother is at peace.
