Dear Bonnie, David, Diane, Doug, Mary, Donna, Josh and Michelle. I am so saddened to hear of Don's passing and the loss you are feeling. I just want to let you all know how special Don was in my life. When I started working with him, it was at a most difficult time in my life with my Dad being so sick. He was the most understanding and patient person I had ever met! He was always someone who would listen - just always there to listen! I have such good memories of the summer picnics at the "hunting lodge" and our Christmas parties at the shop. He was greatly missed when he retired. It just wasn't the same here anymore. But for him, it was a good thing. I truly know what you're all going through with his loss. When the sorrow tends to fill you up as it will, remember his smiling face and hang on to those good memories. My deepest sympathy to you all.
