Dr. David John Veeneman, age 61, of Ferrysburg passed away Wednesday, September 14, 2011 at home, surrounded by his family after a short but courageous battle with cancer. He was born August 24, 1950 in Grand Haven, to Melvin H. and Gertrude (Kantola) Veeneman, and he married his high school sweetheart, the former Lorraine Klein, on July 9, 1971 in Marne, MI.

A 1968 Coopersville High School graduate, David went on to graduate from Michigan State University in 1972 and the University of Michigan Medical School in 1976. David did his residency at Butterworth Hospital in Grand Rapids, and was a pediatrician in Grand Haven for 32 years. He was a member of St. Patrick's Catholic Church and an avid golfer. He also enjoyed fishing and loved being with his family, especially his grandchildren.

He will be forever loved and missed by his loving wife, Lorraine; daughters, Chelsie (Chad) Weigle of Grand Haven and Megan Veeneman of Ferrysburg; son, Jonathon (Jennifer) Veeneman of Nunica; grandchildren: Katie, Johanna, and Hunter Weigle; and Fisher and Hadley Veeneman; his mother, Gertrude Veeneman of Coopersville; 3 sisters: Sheryl (Russ) Lillie of Coopersville, Elaine (Herb) Schoenborn of Conklin, and Diane (Jim) Meerman of Coopersville; 2 brothers, Lee (Brenda) Veeneman of Nunica and Dan (Sue) Veeneman of Coopersville. He was preceded in death by his father Melvin.

The Funeral Mass for Dr. David Veeneman will be held at 10:30 AM Monday, September 19, 2011, at St. Patrick's Catholic Church in Grand Haven with Rev. Fr. William Langlois as celebrant. Friends may meet the family 2-4 and 6-8 PM on Sunday, September 18th, at VanZantwick Bartels Kammeraad Funeral Home in Grand Haven. Interment will be in Lakeshore Cemetery. We moved to the area about the same time you did and were one of David's first patients. He was always very patient, kind and just a little too soft spoken:). I will never forget our first visit, three kids in tow. When he finished checking out the sick one he turned as asked me "Is it very different going from two kids to three?" Your were expecting your Megan and he made me feel like I was the expert not he. I enjoyed working with you both at St. Pats and know you have been and will continue to be in my prayers. My thoughts and prayers are with your family in this difficult time. Please know that David will be missed by everyone who ever knew him. He was not only the doctor I took my children to he was also our friend. I feel blessed to have known him since he started his practice and was so happy that he was the doctor for my children as well as my grand children. He will forever be a part of our lives and he will indeed be missed.##imported-begin##Jayne Massengill##imported-end##

I am so very sorry for your loss. Dr. Veeneman was my pediatrician when I was young and he was the first person I thought of when I had children. My kids are 12 and 14 now and Dr. Veeneman was the only doctor they have ever seen. He is already greatly missed by all of us.##imported-begin##Kara Kriger##imported-end##

I am so sorry to your entire family. "Doc Dave" as I and then later my children referred to him as was a very special physician and person. He cared so much for his patients going above and beyond anything I ever expected. We will miss him...##imported-begin##Jennifer Nelson##imported-end##
