I knew you for a short time Jill, but you were the first friend I ever made when I moved high schools. You taught me how to play marimba as well as some many other things. You will be missed by many. Such a sweet angel.

Words cannot describe how much Jill ment to me. I will forever miss her smile that could always brighten up my day every time I saw her. I'm not sure how to put this into words or in a short paragraph, as there is so much I want to say and don't have the words. She touched my life, as well as many other people, in ways that i will never forget. You will always share a special place in my heart and I will forever love you. Rest In Peace sweet Jill.

So many good childhood memories, from swimming in Grandma Cloz's pool to going to the movies, sledding and every Girl Scout event. When we were younger, we traveled in a pack and there was Jill, quiet, beautiful and shy. She is loved by so many and we are all truly saddened by this situation. All my love and hugs sent to Lisa and family and Betsey.
