Hope was one of our family's most favorite people in this world. There was one time up north, we were having a Bowen reunion, and a bunch of us went to play golf. We were in the pro shop and we heard a familiar laugh coming from the bar area. I said, "That sounds like Hope Taylor's laugh!" And sure enough, there was Hope having a cocktail with some friends. And when she saw all of us, it was hugs for everyone! Hope taught me to swim in the neighbor's pool when I was about 5 years old. Hope and Cliff would come down to the lake in the winter and hang out on the ice with the neighborhood kids. I played in the member-guest tournament a few times with Hope and we had a blast! She was my mom's dear friend, but she was a friend to our whole family. Cliff, we are very sorry for your loss. She will be dearly missed. My parents, I'm sure, are having a cocktail right now with her! With much love, Carrie Bowen Kendro

Dear Cliff, Hearing about Hope's illness and death from Sandy and Jeff was such a shock and you are in my thoughts and prayers at this most difficult time. May the love you shared for so long and your memories of Hope give you comfort and peace. Hope had such a wonderful spark for life and she will be missed by all of us who knew her. I will remember fondly the few times we were able to play golf together and have dinner later with you. I am so sorry. Roberta S. Fleischmann
