I was in Florida when Thelma passed & have just returned & am reading emails of MKG obits & was shocked to learn of her passing! She was such a good person & always willing to share conversation & seemed to know all my mother's relatives from way back! She said she met many people when she worked in the Orchard View area at a store. She was our neighbor & thrilled to be Don's wife & I am so happy that together they shared precious time that are now treasured memories. I will miss talking with her, & feel fortunate to have met her & glad Don brought her into his life & our neighborhood. Don will be so lost without her! She was trully a GEM of a person.
