Paul Mulder

FEB 4, 1954 - MAY 21, 2017

Paul Mulder, age 63, of Norton Shores passed away Sunday, May 21, 2017, at the Leila and Cyrus Poppen Hospice Residence. He was born February 4, 1954, in Muskegon, to James and Betty (Linderman) Mulder.

Paul graduated from Mona Shores High School in 1972 and from Ferris State University in 1978. He worked at Hackley Hospital for numerous years and was currently employed as an implementation consultant for Abbott Laboratories Diabetes Care. Paul was a member of the Vikings Lodge, and also loved to golf. He is lovingly remembered by his niece, Beth Mulder Brown and her children, Kylee and Justin; and nephew, Brian Mulder and his children, Josh, Drew, and Alex; sister-in-law, Bernadette Mulder; and lifelong friend, Cindy Anderson Armstrong and her children, Shawn, Brett, and Dana. He was preceded in death by his parents, James and Betty; brother, Bruce Mulder in 2011; and special uncle, Lewis Linderman.

A luncheon in honor of Paul's life will be held at 3:00 p.m. Sunday, May 28, 2017, at The Viking Lodge 3132 Lakeshore Drive, Muskegon, MI 49441. Memorial contributions to Folds of Honor, C/O Grand Haven Golf Club are appreciated. Share memories with the family at their online guest book at www.sytsemafh.com.

Paul's family is very grateful for all the special friends and caregivers over this past year, that enabled Paul to stay in his own home, as long as possible. A "special thanks" to the Poppen House staff for their compassionate care, and "special thanks" to his "go to girls" Danielle and Lindsey for all the love and laughter they brought into Paul's home.

So sorry to hear the passing of Paul. He was a special friend and classmate during our years at Ferris. We both graduated in Health Services management. I will never forget Paul's Sense of humor and his love for people close to him. He was a very passionate person and admired his wisdom. He will be sorely missed by me. Brian Kibler, Houston, Tx

I've known Paul for over 30 years. I had the great pleasure of working with Paul while I was the Information Systems Director at Hackley Hospital from 1980 to 1991. Paul was instrumental in the conversion from a manual process to an automated system for Patient Accounts early in our careers. If it weren't for Paul's dedication, vision and sense of humor, things would have been more difficult that they already were. He had the ability to take a stressful situation and have fun with it both for himself and folks around him. We spent many a beer agonizing over the politics that we couldn't change, personal challenges that we couldn't solve, and discussing the 'dirty laundry' that seems to run through the hospital, and still walk away laughing about life and why did we waste so much time trying to fix something that couldn't be fix, at least not by either one of us. My legal name is Francis and Paul was the only one that called by my legal name. It still brings a smile to my face when I think about him calling me in the halls of Hackley. I'm so thankful you are resting in peace now. You will be dearly miss my friend. Jack McCloskey (Francis)

I am so blessed to have had the opportunity to meet and care for Paul this past year. We shared stories, tears, jokes, and many laughs. We (Danielle, Paul and I) faced many new challenges each and every day, but always seemed to find answers or figure something out. ALS has got to be one of the most difficult diseases out there. Paul became someone who was far more than just a person I provided care to. We became close, he was like family. I will never forget the memories we made, going to miss him like crazy. ❤️
