I have such fond memories of your mom. She sat across the aisle from us in church for years. We became friends. I think she loved watching my 3 children grow up. She always had a special Christmas ornament or gift for us. I have missed her since she moved. I know she has a special place in heaven. May God bless her and your family. Sincerely, Paula Martin

It's been a long time. Memories of Marneit will always take me back to the original telephone private phone lines... she was the reason we paid extra to get one! Oh my, how that woman did love to talk on the phone!!! My Mom stayed in touch with her until she (my Mom) passed and always spoke fondly of her. My thoughts and prayers are with the family as you journey through the adjustment of living without her.
