I was unable to be at the service for Brooke but wanted to share in your grief. Brooke Never ONCE complained or said bad things about her diagnosis or treatment. She was a fighter and a very strong woman. I was sad to see her loose the battle, but encouraged by the grace and maturity that she had when handling her situation. Will always remember her fondly. Brooke, Brent, Debbie, and Steve you all were a huge part of my childhood. Most of memories involve you four and especially Brooke's sleepovers as she babysat me. She was amazing and I miss singing Rent in the car and playing Donkey Kong. Brooke, you are forever in my thoughts, prayers, and heart. Prayers and love to you Brent, Steve, and Debbie.

Debbie, Steve and Brent with Family. I think how you were such responsible children. You all took time for some fun things together, Michigan Adventure or getting a Fricano's Pizza or just having fun with neighbor kids. Such good memories that hold a place in my heart, forever.

I lived by Brookes grandparents, Dean and Jerri Johnson, for a long time. I got to know Brooke there and through school. She was awesome, heard she had some medical problems and now I heard she passed and am so shocked and sad. I want to say I am so sorry to her mom and dad and brother Brent and her many animals. God bless you guys.
