Carol, Barbie and Chris, we are so sorry to hear about Don. We were in Minnesota so we just saw the paper today. Dick wanted you to know that Don was one of those rare people that he liked instantly, which doesn't happen often., He really enjoyed working with him and being in the race horse business..Even though we didn't see each that much anymore, we always knew that the friendship was still their. We had a lot of fun with you guys over the years, even back to the years when our kids were growing up. Our prayers are with you all.
