Paula, aka Pdidy. I watched as your body began to fail, but your faith increased. You were so strong and actually took time to comfort me amidst the turmoil. We were going to go to Carmen's but didn't make it. We did have some good conversations and I appreciate the kindness that grew out of this tragedy. The gifts you gave me will always make me think of you, that purple bag, my favorite. But the gift of the strength and courage you displayed. Such faith. You wanted me to have that too. I will always think of you...Our silly nicknames....the hugs. Until later,...Tammy Ropp aka "T" Ropp

Duane, Paula's family, and friends, I am so sorry for your loss. She truly was an amazing, sweet, kind, and faithful woman who touched the lives of many. I didn't know until very recently that she was so ill. I was fortunate enough to have time to reach out to her to let her know how much she was loved and missed (at the Polish Union). May God bless you all with peace and strength as you face the days ahead without her beautiful soul.

With great sadness I learned of her passing. I've known Paula for 16 years, and to say she was an amazing, faith-filled woman is truly an understatement. Always there with a smile and an encouraging word is how I will always remember my friend. In 2012, during a very dark time of crisis, Paula saw my struggles- and invited me to her church. I reconnected with faith! Had it not been for her compassion and care, who knows where I would be today. Paula was my earthbound Angel; and on September 2nd she received her wings. My heartfelt condolences to Duane, the Espinoza and Blohm families, the Celebration Church family, her Muskegon County co-workers and all her friends. Paula has left an indelible mark on the hearts of us all. Bob Jackson, Kansas City, KS
