I worked with Mike at Meijer. He will be greatly missed. He was always joyful and his laugh was infectious. As with the others on our team we work 3rd shift and couldn't make it to the funeral. My thoughts and prayers are with your family and all I can picture is Mike having a blast with our Lord and Savior in heaven. We will be together again soon. Lisa VanGenep

There are some people who are so special that they just can't be replaced. Mike falls in that category. Just to be with him was to be exhilarated and uplifted by the hug, the smile, the enthusiasm and to be able to share in his love for the Lord and life itself. Mike, you will be missed. Maggie, you will not be forgotten. What a model of love you have been. I will always think Mike and Maggie – inseparable, a pair, a model of Genesis 2:24 where 1 + 1 = 1. Blessings Maggie, Wendel

My boss, my friend, my cheerleader, my biggest fan AND my biggest adversary. Long talks about God, kids, life and of course work. My life is better because I knew Mike. He shared his views and made me think about my own. A wonderful man has gone home...until we meet again. My deepest sympathies to everyone affected by his passing. He will be missed.
