Ma: You were one of the best. You opened your home to my mother while she was still alive and gave her love and friendship for the remainder of her years. You welcomed me into your life as your son-in-law and we shared many happy moments together. I enjoyed so very much the years I had with you: the memories of the times at the cabin. as well as the many beautiful holidays we shared at your home. I will miss you very much . May you now find the rest and peace you have so righteously earned...
