So saddened to learn of Mark's passing ~ a good man gone much too soon. If it weren't for Mark saying "Hey, throw the frisbee!" to my friend Sherry and I one summer afternoon down at Pere Marquette Beach back in 1979, Randy and I would never have even met. We will be forever grateful for that day, and each and every day since then. Thank you, Mark, you will be sadly missed. May you rest in peace. ~ Randy and Debbie VenHuizen

One of Mark's many crowd pleasers was playing cocaine behind his head or laying on the floor of the stage. He was a great guitar player. I'm so sorry for your loss. I'll miss him very much.

Still hard to believe. Going to miss you, Mark. I will remember you always as a guy who liked to have fun and was the life of the party. A recent memory was of you and my sister Roberta, at my sons wedding, telling stories of your childhoods on Drent Road. Lots of laughs that night. Heaven just got a lot funner, Mark. RIP

I have only known Mark for the last several months at Witt Buick. One of the first times I talked to him, he told me he had worked at Witt previously, then worked somewhere else, and then came back to Witt, and he said it was like "coming home". He was one of those people you just liked to be around....always upbeat, always with a friendly Hello and his wonderful smile. He will be deeply missed. I pray for strength and comfort for his family and loved ones. May God be with you as you go through this terrible time. And may my friend, Mark, rest in peace.

Haven't seen Mark in a while, but every time we would run into each other we would sit and talk about all kinds of music stuff. Both of us being musicians and being in bands when we were growing up. He always had a smile on when ever I would see him. We would chat about our kids. And when we did, you could actually see his chest puff out a little wider and stand a little taller. He was so proud of them. Rest now Mark, My prayers go out to all of his family!
