Courtney Marie Frazine

DEC 16, 1977 - DEC 9, 2017

A bright light went out on December 9, 2017 in Fruitport. Everyone knew Courtney's smile and cheerfulness; she made life fun and her unexpected death leaves us all saddened and shocked. On December 16, 1977, Courtney was born to Ken and Sue Cooper in Grand Haven. She graduated from Fruitport High School and continued her education at Aquinas College earning a teaching degree. Courtney taught at Fruitport Schools, Waypoint Academy (Muskegon) and West Michigan Academy of Arts & Academics (Spring Lake). On September 13, 2003, Courtney married Duane Frazine and he survives her along with their two children, Fynnley Marie (8) and Fletcher Lindale (5). Courtney's survivors also include her parents, Ken and Sue Cooper; sister, Tonika (Zeke) Ohan; brother, Carson (Lori) Cooper; in-laws, Duane Sr. & Mary Frazine; three nephews; many aunts, uncles, cousins and friends. She was preceded in death by her brother, Paul A. Cooper. Visitation with family and friends will be from 4-8 PM Thursday, December 14, 2017 at The Lee Chapel, 6291 S. Harvey St. (231) 798-1100. A Funeral Service will be held 11:00 AM Friday, December 15, 2017 at The Lee Chapel with Rev. Donna Rick officiating. In lieu of flowers, please consider the education fund for Courtney's children at Shelby State Bank (6448 Airline Rd., Fruitport 49415), checks payable to Duane Frazine, account #5375.

I still remember a couple of years ago when I was a new parent at WMAAA. I didn't use the pickup line after school at first. I was trying to gracefully juggle my then kindergartner, my toddler, my friend's daughter, and all of their belongings (including a couple of booster seats). I was trying to act like I had it altogether and didn't need help. :) I think Courtney could sense I needed a little extra hand. She was right there helping me put everything together and assisting me to the car. At the time, I didn't even know who she was or where she came from. I just thought she was an angelic mom who sensed my need for some help on my first days of pickup. It seems as though she just had the gift of sensing where to be when someone needed her. Also, my daughter never had her as a teacher, but Mrs. Frazine still left a lasting impression on me. She always looked so upbeat outside directing traffic in the afternoon (even in the cold). Sometimes in the pickup line I wouldn't have my orange sign taped up or clipped so I held it up against the windshield. :) But she gave me a friendly "thumbs up" as soon as she saw me and started announcing the name seemingly before she even read the sign. It seems like she knew who all of us were even if our children didn't actually have her as a teacher.
