I'm mourning with the Fitzgerald family on the passing of your love one and my co-worker friend, Pam (a retiree of GVSU Computer Operations Department). My heart felt the transitioning of this 'angel' returning home to her Lord. We all have had our unique acquaintances with Pam. I will forever embrace the times and conversations we've shared. I praise God for allowing our paths to have cross in this life time. She is loved by many of her siblings and relatives. She shared a deep connection and love for her nieces and nephews – Aunt Pam lives in your hearts for evermore. As, we all process this departure let us all remember our Lord is in control of all things and one day we'll see our love ones as God sees them and us. Be strong and trust God doing this bereavement as He is with all of us for such a moment in time as this. Love always, Elizabeth (Liz) Eubanks

I am sorry for your loss. Pam was an excellent co-worker. She talked about going to the Lumberjacks games and also going to her nieces and nephews games and activities. Family meant a lot to Pam. I will miss her dearly. Please know I keep her in my heart always. Much prayers and respect for the family!
